Dear Sir:

Enclosed for filing in the above-identified application is a PTO/SB/08 Equivalent listing 4 references to be considered by the Examiner. Reference numbered 1 is applicant's co-pending application. Applicant directs the Examiner to this reference, and to its associated prosecution history, for the Examiner to consider, now and in the future, whether the subject matter claimed, as well as the associated prosecution history, may be relevant to the patentability of the present application (e.g., for reasons of obviousness-type double patenting). Applicant notes in particular the Office Action mailed in U.S. App. No. 11/203,557 on November 8, 2007.

Applicant believes that the Examiner has access to the patents and pending applications and the file histories through the Patent Office (e.g., the IFW system). Accordingly, applicant has not provided a copy of the application or the file histories, but would be happy to do so now, now or in the future, should the Examiner so request. Also enclosed are 2 foreign patent references (references numbered 2 and 3) and 1 non-patent literature (reference numbered 4) as listed on the Information Disclosure Statement.
